

Greenwich Yacht Club Trophy Information

& Winners recorded from 1952 till 2020

Document Prepared by
Preeda Harish Kumar
Marketing & Communications 2020
Version 5

I. Introduction

Greenwich Yacht Club, was originally founded by Thames Watermen in 1908, and has had a significant presence on the Thames for over a hundred years. The club set out to provide affordable boating for all, and has expanded its activities over the years with regular dinghy sailing and rowing in its two historic cutters.

Racing and cruising are at the heart of a sailing club. Some members like to compete in as many races as possible, and some like to cruise further afield. Individual and team achievements are rewarded and celebrated by the whole club in the annual Prize Giving ceremony, with some splendid trophies.

Over the years our trophy awards have been recorded in the all-important “red book” securely kept in the club safe. When I was appointed as the first Marketing & Communications officer, I made it part of my mission to record the club’s history and make the information public. Digitalizing the club’s trophies and securely storing all the information in what has become known as our trophy bible was vital.

New cups and shields have been added to our trophy cabinet over the years. Some have been presented by other clubs and business or personal sponsors. Over time retiring Commodores have also added their own awards. This detailed record of all our awards over the years presents a fascinating account of our history, and a lasting tribute to the intrepid achievements of Greenwich Yacht Club members.

We are a proud club with important history on our river. I’m confident that celebrating the achievements of our sailors by sharing our history in this way, will not only sustain our vibrant legacy for all time, but promote our wonderful club to the world beyond our gates.

Special thanks go to all these members who have helped complete some of the history of these trophies and editing – Nick Day (*current Commodore*), Stephen (Steve) Wilson (*past Commodore*), Mike Woods, Jim Four, Ian Palmer, Stan Payne (*past Commodore*) and Lionel Willis (*past Commodore*).

36. The Baker Challenge Trophy

Presented by: To commemorate ex. Commodore Richard Baker and his father Graham

Date presented: Inaugurated 2007

Designation: For a fun relay race between teams of dinghies.

Nb :- originally this event was in memory of Richard Baker and hence some people refer to this trophy as “the Richard Baker Memorial Trophy”. Since Graham (Richard's father who is also not here) – it became more fitting to call it “The Baker Challenge Trophy”.

Role of Honour
