Table with 2 columns: Line 1 (Previous Revision) and Line 1 (Current Revision). It shows the differences between two versions of the 'AIS' page. The table includes various code snippets, such as {{Portal/ContainerOpen}}, {{Portal/CellOpen}}, and {{Portal/CellClose}}, as well as a large block of text starting with '* [http://www.pla.co.uk/Port-Trade/Ship-movements/Ship-movements PLA list of planned ship movements]'. The table uses a color-coded system to highlight changes: yellow for deletions, blue for additions, and grey for unchanged content.
