-	The old website performed some functions that the new web site does not - such as event planning and booking forms for the yard and other activities. The decision was made to keep the new website a bit simpler by handling those functions seperately. Since this is being managed by volunteers and a small budget - we have first created the new 'public' website and will then begin work on all the inter active stuff.
-	But in the mean time, the old website is still available and running - so go to the members portal [http://members.greenwichyachtclub.co.uk/ http://members.greenwichyachtclub.co.uk/] to do the following:
-	* Booking yard space
-	* Getting on the mooring waiting list
-	* See the events calender
-	We are still working on updating our Web / IT infrastructure and since we are volunteers it might take a bit of time. If you have a question or suggestion please email: [mailto:it@greenwichyachtclub.co.uk]
