Looking for something?

The old website performed some functions that the new website does not - such as event planning and booking forms for the yard and other activities. The decision was made to keep the new website a bit simpler by handling those functions separately. Since this is being managed by volunteers and a small budget - we have first created the new 'public' website and will then begin work on all the interactive stuff.

But in the mean time, the old website is still available and running - so go to the members portal <http://members.greenwichyachtclub.co.uk> to do the following:

- Booking yard space
- Getting on the mooring waiting list
- See the events calendar

We are still working on updating our Web / IT infrastructure and since we are volunteers it might take a bit of time. If you have a question or suggestion please email: it@greenwichyachtclub.co.uk
