−	The old website performed some functions that the new website does not - such as event planning and booking forms for the yard and other activities. The decision was made to keep the new website a bit simpler by handling those functions seperately . Since this is being managed by volunteers and a small budget - we have first created the new 'public' website and will then begin work on all the interactive stuff.
−	But in the mean time, the old website is still available and runnnin g - so go to the members portal [http://members.greenwichyachtclub.co.uk/ http://members.greenwichyachtclub.co.uk/] to do the following:
	* Booking yard space
	* Getting on the mooring waiting list
−	* See the events calender
	We are still working on updating our Web / IT infrastructure and since we are volunteers it might take a bit of time. If you have a question or suggestion please email: [mailto: it@greenwichyachtclub.co.uk]

Looking for something?

The old website performed some functions that the new website does not - such as event planning and booking forms for the yard and other activities. The decision was made to keep the new website a bit simpler by handling those functions separately. Since this is being managed by volunteers and a small budget - we have first created the new 'public' website and will then begin work on all the interactive stuff.

But in the mean time, the old website is still available and running - so go to the members portal <https://members.greenwicheachtclub.co.uk> to do the following:

- Booking yard space
- Getting on the mooring waiting list
- See the events calendar

We are still working on updating our Web / IT infrastructure and since we are volunteers it might take a bit of time. If you have a question or suggestion please email: it@greenwicheachtclub.co.uk
