## Looking for something?

As you will likely be aware, the club experienced a catastrophic failure of the members portal website. We are in the process of building a new members portal, but will provide some temporary solutions for things that were there. Watch this space... and we will announce on the TNA.

There is however a new Events Calender which you can see under the members corner menu on the left.

We are still working on updating our Web / IT infrastructure and since we are volunteers it might take a bit of time. If you have a question or suggestion please email: [it@greenwichyachtclub.co.uk](mailto:it@greenwichyachtclub.co.uk)
