The diagram illustrates the process of combining two prompts to create a new one. It features three main components: a left prompt box, a right prompt box, and a resulting combined prompt box. The left prompt box contains the text: "For any enquiries about booking the clubhouse, talk to **Will Aldridge** in the first instance: Phone: **07966 868 104** or via email at venuehire@greenwichyachtclub.co.uk". The right prompt box contains the text: "For any enquiries about booking the clubhouse, talk to **Andrea Priori** in the first instance. Phone: **0207 952 2410** or via email at venuehire@greenwichyachtclub.co.uk **venuehire@greenwichyachtclub.co.uk**". The resulting combined prompt box contains the text: "If **Andrea is not available and your call is urgent Will Aldridge** can be reached on **07966 868 104**". Arrows indicate the flow from the two input prompts to the resulting prompt.
