<p>GYC is a self-help club, where all participate in the running and maintenance of our facilities and activities. One of the best ways you can help the club, is by helping out on our workdays which are on the last Saturday of every month.</p> <p>Additionally, for tax purposes, as a "Community Amateur Sports Club", we must provide evidence of members' participation in its activities. Adult members of GYC are expected to take part in at least twelve qualifying activities, including work parties, on separate days, every year. You will be required to log your working and boating participations on a form provided for you.</p>
