

Join GYC

Join GYC

We are a self help club run by volunteers which helps us keep membership fees low. Single membership is £249 per year + a one-off fee of £75 joining fee but if you join partway through the year the fees are pro rata. Please see the [Fees_and_Charges](#) page for more information. You do not need to own a boat to become a member - see the articles on this website under 'About the club' for more information on club activities that will be available to you as a member.

We expect all members to muck in and help with the running of the club so the application process asks you to show that you are willing to get involved.

The application process has a couple of steps:

1) Download and complete the

 GREENWICH YACHT CLUB APPLICATION FOR MEMBERSHIP			
First Name			Surname
Address			
Postcode	Borough		Royal Greenwich ☐ Other ☐
Do you live or work in Royal Greenwich?		Yes ☐ No ☐ Specify:

Have you been a member of any other yacht club or association?			
GYC is a self-help club, where all participate in the running and maintenance of our facilities and activities. One of the best ways you can help the club, is by helping out on our workdays which are on the last Saturday of every month. Additionally, for tax purposes, as a "Community Amateur Sports Club", we must provide evidence of members' participation in its activities. Adult members of GYC are expected to take part in at least twelve qualifying activities, including work parties, on separate days, every year. You will be required to log your working and boating participations on a form provided for you.

and return to the [Membership Secretary \(membership@greenwichyachtclub.co.uk\)](mailto:membership@greenwichyachtclub.co.uk) OR attend the club on a Tuesday night (club night) and speak to the membership secretary who will be at the desk at the top of the stairs.

2) We will then ask potential members to then participate in two activities in order to demonstrate their willingness to participate. This would normally be a monthly Work Party where we tidy up the yard or do minor repairs, and a water-based activity.

3) After participating in two activities, you will have an interview (informal chat) with two members and we will go through the reverse side of the application form.

4) Then your application is approved by the committee and if everything is okay you will be asked to pay your fees and you become a member! Our membership runs from 1st September.
