– The old website performed some functions that the new website does not - such as event planning and booking forms for the yard and other activities. The decision was made to keep the new website a bit simpler by handling those functions **seperately**. Since this is being managed by volunteers and a small budget - we have first created the new 'public' website and will then begin work on all the interactive stuff.

– But in the mean time, the old website is still available and **runnnin g** - so go to the members portal [https://members.greenwichtyachtclub.co.uk/ https://members.greenwichtyachtclub.co.uk] to do the following:

* Booking yard space

* Getting on the mooring waiting list

– * See the events **calender**

We are still working on updating our Web / IT infrastructure and since we are volunteers it might take a bit of time. If you have a question or suggestion please email: [mailto:it@greenwichtyachtclub.co.uk]

Looking for something?

The old website performed some functions that the new website does not - such as event planning and booking forms for the yard and other activities. The decision was made to keep the new website a bit simpler by handling those functions separately. Since this is being managed by volunteers and a small budget - we have first created the new 'public' website and will then begin work on all the interactive stuff.

But in the mean time, the old website is still available and running - so go to the members portal <https://members.greenwichtyachtclub.co.uk> to do the following:

- Booking yard space
- Getting on the mooring waiting list
- See the events calendar

We are still working on updating our Web / IT infrastructure and since we are volunteers it might take a bit of time. If you have a question or suggestion please email: it@greenwichtyachtclub.co.uk
