

Main Page

Welcome to Greenwich Yacht Club. We are a friendly, member-run club with an amazing clubhouse right on the river Thames just three miles downriver from Tower Bridge. We have enviable facilities that make us one of the best equipped sailing clubs in the South East.

Since our foundation over 100 years ago, we have aimed to offer 'affordable sailing for all' and organise activities and training for complete beginners through to seasoned sailors. Whether you want to learn to sail, race with the dinghy fleet or sail your boat close to the heart of London – get in touch!
